In light of the parties' representation that they have settled this matter, the Initial Conference previously scheduled for **December 5, 2022** was adjourned. It is further ordered that this action will be dismissed without costs (including attorneys' fees) to either party on **January 4, 2023**, unless before that date one or more of the parties files a letter with the Court requesting that the action not be dismissed and stating the reasons why the Court should retain jurisdiction over this action in light of the parties' settlement. **To be clear, any request that the action not be dismissed must be filed on or before January 4, 2023; any request filed thereafter may be denied solely on that basis.**

SO ORDERED.
